MESSAGE FROM THE MANAGEMENT

At Home Fit Exports, manufacturing is not just about producing hardware—it is about building long-term trust. From the very beginning, our focus has been clear: to deliver builder hardware products that meet international expectations in quality, finish, and reliability.

Over the years, our growth has been driven by strong relationships with global importers who value consistency, transparency, and dependable supply. Every product that carries the Home Fit name reflects our commitment to precision engineering, disciplined processes, and continuous improvement.

As we move forward, we remain dedicated to strengthening our manufacturing capabilities, refining our product offerings, and supporting our partners with solutions they can rely on—today and for years to come.

Management, Home Fit Exports

HOME FIT EXPORTS

Built in Metal. Defined by Precision. Trusted Worldwide.

Precision Builder Hardware Products for Global Trade
Manufactured in India | Since 1993

Since 1993, **Home Fit Exports** has been delivering precision-engineered **builder hardware products** designed for international markets where quality, consistency, and reliability are essential.

Based in **Aligarh, India**—a city globally recognized for its metalworking heritage and strategically positioned near New Delhi—Home Fit seamlessly blends **traditional craftsmanship with modern export-oriented manufacturing**.

As a **100% export-focused manufacturer**, Home Fit supplies an extensive portfolio of **1,000+builder hardware products** to established markets across the **UK, Europe and beyond**. Each product is created as a trade-ready solution—engineered for dependable performance, finished for durability, and produced for scalable global supply.

OUR CORE STRENGTHS

- Precision-driven manufacturing expertise
 - Premium metals: Brass, Iron, Zinc & Aluminum
 - International quality control standards
 - Wide spectrum of architectural & decorative hardware
 - Proven export reliability and consistency
-

PRODUCT CATEGORIES AT A GLANCE

Architectural Ironmongery | Door & Window Hardware | Cabinet & Furniture Fittings
Curtain Accessories | Security Hardware | Black Antique Collections
Decorative Hardware | Die-Cast Products

Each product reflects a commitment to **durability, refined aesthetics, and functional excellence**—meeting the expectations of professional importers worldwide.

MANUFACTURING SPACE & RESOURCES

Home Fit operates from a **fully integrated 100,000 sq. ft. manufacturing facility** in Aligarh, supported by skilled professionals, advanced machinery, and streamlined production systems. Stringent quality checks are applied at every stage—from raw material selection to final finishing—ensuring consistency, precision, and compliance with diverse international specifications.

QUALITY, COMPLIANCE & EXPORT STANDARDS

At Home Fit Exports, quality is embedded across every stage of manufacturing. Our processes follow internationally recognized management standards to ensure reliability, safety, and responsibility in global trade.

Certified Management Systems

- **ISO 9001** – Quality Management System
- **ISO 14001** – Environmental Management System
- **ISO 45001** – Occupational Health & Safety Management System

These certifications reinforce our commitment to disciplined manufacturing, responsible operations, and workforce well-being.

- Controlled raw material selection and inspection
- Precision machining and finishing processes
- In-process and final quality checks
- Compliance with buyer specifications and export requirements

This integrated approach enables Home Fit to deliver products with **uniform finishes, dimensional accuracy, and dependable performance**, making us a trusted long-term partner for professional importers worldwide.

QUALITY CERTIFICATIONS

Our perceptive, visionary, & social & environment-friendly company has been duly recognized and greatly appreciated by many diverse regulating world organization, such as ISO 9001:2015 (BSI) (Quality), ISO 14001:2015 (BSI) (Environment), ISO 45001:2018 (BSI) (Health & Safety)

EXPORTER PROFILE SHEET | QUICK OVERVIEW

Company Name

Home Fit Exports (HFE)

Established

1993

Business Type

Manufacturer & 100% Export-Oriented Unit

Product Category

Builder Hardware Products

Product Portfolio

Architectural Ironmongery, Door & Window Hardware, Cabinet & Furniture Fittings, Curtain Accessories, Security Hardware, Decorative Hardware, Black Antique Collections, Die-Cast Products

Manufacturing Facility

Fully integrated production unit spread over approx. 100,000 sq. ft.

Materials Used

Brass • Iron • Zinc • Aluminum

Production Capabilities

Precision machining, die-casting, finishing, polishing, assembly, and packaging

Quality & Compliance

ISO 9001 | ISO 14001 | ISO 45001

Export Markets Served

UK • Europe • Other International Regions

Key Buyer Benefits

- Consistent product quality with uniform finishes
- Competitive and transparent pricing
- Reliable delivery schedules and supply continuity
- Long-term, partnership-driven approach

Ideal Buyers

Importers • Distributors • Wholesalers • Sourcing Companies

This catalogue showcases the complete Home Fit Exports portfolio—engineered for international trade and built for dependable global distribution.
